To Whom It May Concern:

Re: Rev. William "Rusty" Boles, Jr.

As the Chairman of the St. Vincent de Paul Thrift Store, located in Port Richey, it has become necessary to call upon Rusty for assistance. He never hesitates to provide the necessary service using his own vehicle and trailer to either pickup donated furniture or the delivery of voucher authorized furniture. He always has a smile and a set of good natured words with the Thrift Store's personnel. In today's materialistic world, it is very gratifying have an individual such as Rusty to be a go-between the Thrift Store and those people in need of assistance.

It is my pleasure to pass along these words on behalf of Rusty.

Thank You

George A. Montgomery

Chairman of the Thrift Store
