Rusty and Linda:

This is the all staff e-mail that I sent out after Spring Fest to thank everyone. The Lord knows how much love Scott and I have in our hearts for the two of you!

You mean so much to us.....May we partner again for His Service as the Lord leads.....For the furtherance of the Kingdom of God!

God is moving in this community through Evangelism and throughout the world.

Thank you both for all that you do to assist not only our church but so many other organizations and churches in our community.
