To Whom It May Concern:

July 15, 2006

This letter is written on behalf of Rusty Boyles. Rusty has attended Calvary Chapel Worship Center for several years. I have personally worked with Rusty from October 2001 up through the present timeframe.

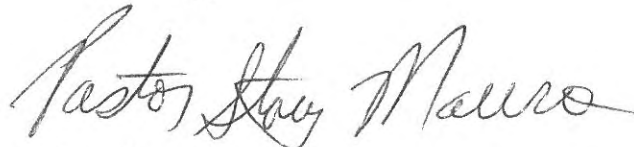

Throughout that timeframe, Rusty has been very faithful and willing to volunteer his time, finances, and truck to the church for the procurement of supplies for our large annual outreaches, garage sales, as well as for other departments of the church. He is also very faithful to donate his truck, time and effort in assisting with the Pasco County Community Outreach Center Projects.

He has also served as my donations coordinator in the procurement of all donations for large annual outreaches. This past year, he was also instrumental in obtaining many new donations for us for our Spring Festival at Sims Park, in downtown New Port Richey. This event served 6680 people from the community.

Rusty and his wife Linda work very hard with loading and unloading supplies, putting equipment together such as this past year whereby Linda put together all the bikes that we gave out to the community, and they are very conscientious in their efforts.

If you have any questions, please do not hesitate to contact me at (727) 376-7733 Ext 111.

Sincerely,
