Subject letter of recommendation

Rusty - here is the letter of recommendation you requested. You are in our prayers and we are available to assist you in any way we possibly can.

To Whom it may concern,

My name is Rev. Bill Strayer and I am the senior pastor of Calvary Chapel Worship Center in New Port Richey, Florida. I am writing in regards to Rev. Rusty Boles and the ministry he has started.

Rusty has had a passion for years to build and fund a ministry that would influence and change the lives of children who have been abused. He wants to have a safe house where children can be safe and unconditionally loved. This would be a great ministry and very valuable to the lives of many children and to the entire community, state and nation. The children of our society must be protected, ministered to and helped so that they can have productive and healthy adult years and relationships.

Rusty began this ministry in early 2005 around the month of March. He has worked hard in trying to develop something that would change and touch the lives of many children. Rusty has a heart to help children and all ages of people. He has attended Calvary Chapel Worship Center for years and has only been a blessing. He is actively involved in the church and he has helped multitudes of people and families and continues to do so. He simply has a big heart and is full of compassion and mercy for people.

I can recommend Rev. Rusty Boles and his ministry to you. He simply has a big heart to help the children of our society. If you need further information or have any concerns at all, please let us know.

In Christ,

Pastor Bill Strayer
