

Dear Rev & Mrs. Boles,

I can't thank you enough for the kindness that you showed to me just when I needed it most. I thank you from the bottom of my heart for your generosity in time and effort that you put into helping me in my time of need.

You made me feel so much better and so thankful to God for His people like you that would come to the rescue of such of us that truly need that help. And because of your expertise, your advice and your suggestions, you made it all work.

You provided support for me during a time when I was quite overwhelmed with all that still needed to be done.

Isn't it just like our God to bring unexpected help just when we need it most!

Sincerely
Alice Nystrom
